

# PARENT PARTIES

Our focus for the EF 12 auction is creating community through the addition of parent fellowship parties. Please consider being a host and bring our SBS community together for some fun and fellowship!

**WHAT CAN YOU DO?** You (or a group of friends) offer to host, at your house or a venue, a gathering for a designated number of guests or couples. The theme options are endless, but a few ideas are a Bunko Party, Crawfish Boil, a Progressive Neighborhood Dinner, a Painting, Bowling or Cooking Party.

**WHAT HAPPENS NEXT?** At the auction, guests sign up to attend your party by securing their bid at a predetermined price. The host(s) is responsible for coordinating and underwriting the cost of the event. The cost of the event will be tax deductible to the host(s).
